Kirkland & Ellis LLP and Kirkland & Ellis International LLP (together, “K&E”), attorneys for the above-captioned debtors and debtors in possession (collectively, the “Debtors”), hereby submits its fifth interim fee application (the “Fee Application”) for allowance of compensation for professional services provided in the amount of \$12,898,705.00 and reimbursement of actual and necessary expenses in the amount of \$639,958.52 that K&E incurred for the period from June 1, 2021 through August 31, 2021 (the “Fee Period”). In support of this Fee Application, K&E submits the declaration of Steven N. Serajeddini, president of Steven N. Serajeddini, P.C., a

partner of K&E (the “Serajeddini Declaration”), which is attached hereto as **Exhibit A** and incorporated by reference. In further support of this Fee Application, K&E respectfully states as follows.

Jurisdiction and Venue

1. The United States Bankruptcy Court for the Eastern District of Virginia (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference from the United States District Court for the Eastern District of Virginia*, dated August 15, 1984. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief requested herein are sections 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), rule 2016-1 of the Local Rules of the United States Bankruptcy Court for the Eastern District of Virginia (the “Local Bankruptcy Rules”), and the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 425] (the “Interim Compensation Order”).

Background

4. On May 13, 2020 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On May 15, 2020, the Court entered an order [Docket No. 89] authorizing the joint administration and procedural consolidation of the Debtors’ chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request has been made for the appointment of a trustee or examiner in these chapter 11 cases. On May 27, 2020, the United States Trustee for the Eastern

District of Virginia (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Committee”) [Docket No. 193].

5. A description of the Debtors’ businesses, the reasons for commencing the chapter 11 cases, and the relief sought from the Court to allow for a smooth transition into chapter 11 are set forth in the *Declaration of David Tolley, Executive Vice President, Chief Financial Officer, and Co-Chief Restructuring Officer of Intelsat S.A. in Support of Chapter 11 Petitions and First Day Motions*, filed on May 14, 2020 [Docket No. 6] and incorporated herein by reference.

6. On June 30, 2020, the Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

Preliminary Statement

7. During the Fee Period, K&E represented the Debtors professionally and diligently, advising them through a complex mediation with all the significant stakeholders in these cases, which culminated in a plan support agreement that has been executed by more than 80% of the Debtors’ debtholders.

8. Prior to the Fee Period, on April 21, 2021, the Court entered the *Order Compelling Mediation of Plan and Confirmation-Related Disputes and Appointing Judicial Mediator* [Docket No. 2049] (the “Mediation Order”), granting the Debtors’ request for court-ordered mediation, and appointing the Honorable Frank J. Santoro, Chief Judge for the United States Bankruptcy Court of the Eastern District of Virginia as the judicial mediator (the “Mediator”). All material stakeholders were directed to participate in the mediation.²

² The material stakeholders include the ad hoc group of certain prepetition secured parties represented by Akin Gump Strauss Hauer & Feld LLP and Centerview Partners LLC (the “Jackson Ad Hoc Group”), the ad hoc group

9. The mediation began with the Mediator rapidly getting up to speed on the various complex issues in these chapter 11 cases and the positions of the mediation parties, both through the Mediator's own independent analyses and conversations with and presentations from certain of the mediation parties, including the Debtors, as led by K&E. Numerous mediation sessions were held throughout the summer of 2021, including on June 30 and July 1, 2021, when certain principals of the mediation parties and their advisors met in-person—for the first time in these chapter 11 cases—in Richmond, Virginia for mediation sessions with the Mediator and each other. Further in person mediation sessions were held in Richmond on July 15, 2021. At each of the sessions, the Debtors were led by K&E.

10. After months of negotiations, mediation worked. On the heels of over a year of multiple, parallel, investigations and discovery efforts, all but one of the Debtors' key creditor constituencies were able to reach agreement on the key terms of a plan and plan support agreement. K&E led the Debtors in the weeks of grueling negotiations that followed, helping negotiate, draft, and document the extremely complex plan support agreement and ancillary term sheets, plan of reorganization, disclosure statement, and other related definitive documents. On August 25, 2021, the Debtors entered into a new plan support agreement (the "Plan Support Agreement") with their supporting creditors, and shortly thereafter filed the *Second Amended Joint Chapter 11 Plan of Reorganization of Intelsat S.A. and Its Debtor Affiliates* [Docket No. 2773] (the "Second Amended

of certain other prepetition secured parties represented by Wilmer Cutler Pickering Hale and Dorr LLP (the "First Lien Noteholders Group"), the crossover ad hoc group of term loan lenders and noteholders represented by Jones Day and Houlihan Lokey Capital, Inc. (the "Jackson Crossover Ad Hoc Group"), the ad hoc group of noteholders and equity holders represented by Paul, Weiss, Rifkind, Wharton & Garrison LLP and Ducera Partners LLC (the "HoldCo Creditor Ad Hoc Group"), the ad hoc group of holders of primarily convertible senior notes and equity represented by Stroock & Stroock & Lavan LLP (the "Convertible Notes Group" and, together with the foregoing, collectively the "Ad Hoc Groups"), U.S. Bank National Association, in its capacity as Indenture Trustee for the Jackson Senior Notes ("U.S. Bank"), the ad hoc group of equity holders of Intelsat S.A. (the "Ad Hoc Equity Group"), and SES Americom Inc. ("SES").

Plan” or the “Plan”), and the *Second Amended Disclosure Statement for the Second Amended Joint Chapter 11 Plan of Reorganization of Intelsat S.A. and Its Debtor Affiliates* [Docket No. 2774] (the “Second Amended Disclosure Statement”). The Second Amended Plan is supported by the vast majority of the Debtors’ key stakeholders and is now headed towards confirmation on December 2, 2021.

11. Importantly, however, the Plan, the settlement it incorporates, and the Plan Support Agreement, are all predicated on the mutual understanding that each of the Debtors and the plan supporters—collectively representing 80% of the capital structure—likely has a different view on the relative strengths of each of the issues resolved pursuant to the Plan. Reaching this delicate balance was immensely complex and required the skill and advice provided by K&E.

12. In parallel to mediation and negotiations, K&E has tackled extensive and complicated litigation. Prior to the hearing on September 1, 2021 on the Second Amended Disclosure Statement (the “Disclosure Statement Hearing”), the Debtors had made available for deposition more than a dozen witnesses, including Intelsat’s CEO, CFO, General Counsel, and many others. On behalf of the Debtors, K&E had also received and responded to more than 200 separate requests for production and had produced over 100,000 documents consisting of more than 850,000 pages. The Debtors had received more than 130 interrogatories (including subparts) and more than 60 requests for admission. And since the Disclosure Statement Hearing, at least 25 additional depositions have been scheduled, including at least a dozen witnesses affiliated with the Debtors. Dozens of expert reports have been exchanged. K&E has spearheaded this massive litigation effort.

13. Finally, in anticipation of successfully prosecuting the Plan to confirmation, the Debtors, as led by K&E, have been pursuing the numerous work streams necessary to eventually

emerge from chapter 11. Lawyers from K&E's corporate, debt finance and capital markets, tax, and regulatory groups are all doing the difficult work of ensuring the Debtors are able to efficiently implement the value-maximizing restructuring transactions contemplated by the Plan, including raising the financing required to fund distributions provided for under the Plan and obtaining the many regulatory consents necessary to emerge.

14. In short, as has been the case throughout these chapter 11 cases, K&E has provided extremely valuable services to the Debtors in furtherance of this historically complex restructuring, and the compensation sought in this Application is appropriate and should be allowed.

The Debtors' Retention of K&E

15. On July 1, 2020, the Court entered the *Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of May 13, 2020* [Docket No. 452] (the "Retention Order"), attached hereto as **Exhibit B** and incorporated by reference. The Retention Order authorizes the Debtors to compensate and reimburse K&E in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and the Interim Compensation Order. The Retention Order also authorizes the Debtors to compensate K&E at K&E's hourly rates charged for services of this type and to reimburse K&E for K&E's actual and necessary out-of-pocket expenses incurred, subject to application to this Court. The particular terms of K&E's engagement are detailed in the engagement letter by and between K&E and the Debtors, effective as of May 13, 2020, and attached hereto as **Exhibit C** (the "Engagement Letter").

16. The Retention Order authorizes K&E to provide the following services consistent with and in furtherance of the services enumerated above:

- c. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates before those courts in connection with the services in the Retention Order; and
- d. performing all other legal services reasonably necessary or otherwise beneficial for the Debtors in connection with these chapter 11 cases.

Disinterestedness of K&E

17. To the best of the Debtors' knowledge and as disclosed in the *Declaration of Steven N. Serajeddini in Support of the Debtors' Application for the Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of May 13, 2020* [Docket No. 295, Exhibit B], the *First Supplemental Declaration of Steven N. 18. K&E may have in the past represented, may currently represent, and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these chapter 11 cases. In the K&E Declarations, K&E disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts. K&E will update the K&E Declarations, as appropriate, if K&E becomes aware of relevant and material new information.

19. K&E performed the services for which it is seeking compensation on behalf of the Debtors and their estates, and not on behalf of any committee, creditor, or other entity.

20. Except to the extent of the advance payments paid to K&E that K&E previously disclosed to this Court in the K&E Declarations, K&E has received no payment and no promises for payment from any source other than the Debtors for services provided or to be provided in any capacity whatsoever in connection with these chapter 11 cases.

21. Pursuant to Bankruptcy Rule 2016(b), K&E has not shared, nor has K&E agreed to share (a) any compensation it has received or may receive with another party or person other than

with the partners, counsel, and associates of K&E or (b) any compensation another person or party has received or may receive.

Actual and Necessary Expenses Incurred by K&E

56. As set forth in **Exhibit I** attached hereto, and as summarized in **Exhibit G** attached hereto, K&E has incurred a total of \$639,958.52 in expenses on behalf of the Debtors during the

Fee Period. These charges are intended to reimburse K&E's direct operating costs, which are not incorporated into the K&E hourly billing rates. K&E charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit I** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by K&E

A. Reasonable and Necessary Fees Incurred in Providing Services to the Debtors.

57. The foregoing professional services provided by K&E on behalf of the Debtors during the Fee Period were reasonable, necessary, and appropriate to the administration of these chapter 11 cases and related matters.

58. Many of the services performed by partners and associates of K&E were provided by K&E's Restructuring Group. K&E has a prominent practice in this area and enjoys a national and international reputation for its expertise in financial reorganizations and restructurings of troubled companies, with over 150 attorneys focusing on this area of the law. The attorneys at K&E have represented either the debtor or the creditors' committee or have acted as special counsel in many large chapter 11 cases.

59. In addition, due to the facts and circumstances of these chapter 11 cases, attorneys from K&E's litigation, corporate and tax groups were heavily involved with K&E's representation of the Debtors. These practice groups also enjoy a national and international reputation for their expertise. Overall, K&E brings to these chapter 11 cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

B. Reasonable and Necessary Expenses Incurred in Providing Services to the Debtors.

60. The time constraints imposed by the circumstances of these chapter 11 cases required K&E attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of the Debtors. These services were essential to meet deadlines, respond to daily inquiries from various creditors and other parties in interest on a timely basis, and satisfy the demands of the Debtors' businesses and ensure the orderly administration of their estates. Consistent with firm policy, and as further disclosed in the Retention Application, K&E attorneys and other K&E employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. K&E's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

61. In addition, due to the location of the Debtors' businesses, co-counsel, creditors, and other parties in interest in relation to K&E's offices, frequent multi-party telephone conferences involving numerous parties were required. On many occasions, the exigencies and circumstances of these chapter 11 cases required overnight delivery of documents and other materials. The disbursements for such services are not included in K&E's overhead for the purpose of setting billing rates and K&E has made every effort to minimize its disbursements in these chapter 11 cases. The actual expenses incurred in providing professional services were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors in these chapter 11 cases.

62. Among other things, K&E makes sure that all overtime meals, travel meals, hotel rates, and airfares are reasonable and appropriate expenses for which to seek reimbursement. Specifically, K&E regularly reviews its bills to ensure that the Debtors are only billed for services

that were actual and necessary and, where appropriate, prorates expenses. In that regard, K&E will waive certain fees and reduce its expenses if necessary. In the Fee Period, K&E voluntarily reduced its fees by \$453,591.50 and expenses by \$941.52. Consequently, K&E does not seek payment of such fees or reimbursement of such expenses in the Fee Application.

K&E's Requested Compensation and Reimbursement Should be Allowed

63. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

64. K&E respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. K&E further believes that it performed the services for the Debtors economically, effectively, and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the Debtors' constituents. K&E further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

65. During the Fee Period, K&E's hourly billing rates for attorneys ranged from \$625 to \$1,895. The hourly rates and corresponding rate structure utilized by K&E in these chapter 11 cases are equivalent to the hourly rates and corresponding rate structure used by K&E for restructuring, workout, bankruptcy, insolvency, and comparable matters, and similar complex corporate, securities, and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. K&E strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes, and severe time pressures—all of which are present in these chapter 11 cases.

66. Moreover, K&E's hourly rates are set at a level designed to compensate K&E fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

67. In sum, K&E respectfully submits that the professional services provided by K&E on behalf of the Debtors and their estates during these chapter 11 cases were necessary and

appropriate given the complexity of these chapter 11 cases, the time expended by K&E, the nature and extent of K&E's services provided, the value of K&E's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, K&E respectfully submits that approval of the compensation sought herein is warranted and should be approved.

68. No previous application for the relief sought herein has been made to this or any other Court.

Reservation of Rights and Notice

69. It is possible that some professional time expended or expenses incurred during the Fee Period are not reflected in the Fee Application. K&E reserves the right to include such amounts in future fee applications. In addition, the Debtors have provided notice of this Fee Application to: (a) the U.S. Trustee; (b) those persons who have formally appeared and requested service in these cases pursuant to Bankruptcy Rule 2002; (c) counsel to the Committee; (d) those parties entitled to notice of the Fee Applications pursuant to the Interim Compensation Order (collectively, the "Notice Parties"). Pursuant to the Interim Compensation Order, any party, other than the Notice Parties, that wishes to object to the Fee Application, must file its objection with the Court, with a copy to Chambers and serve it on the affected professional and the Notice Parties so that it is actually received on or before November 22, 2021, at 4:00 p.m. prevailing Eastern Time.

No Prior Request

70. No prior application for the relief requested herein has been made to this or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, K&E respectfully requests that the Court enter an order (a) awarding K&E interim compensation for professional and paraprofessional services provided during the Fee Period in the amount of \$12,898,705.00, and reimbursement of actual, reasonable, and necessary expenses incurred in the Fee Period in the amount of \$639,958.52; (b) authorizing and directing the Debtors to remit payment to K&E for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

1. The Application is granted to the extent set forth herein.
2. The Debtors are authorized to retain and employ Kirkland as their attorneys effective as of the Petition Date in accordance with the terms and conditions set forth in the Application and in the Engagement Letter attached hereto as **Exhibit 1**.

Kirkland is authorized without further order of the Court to apply amounts from the prepetition advance payment retainer to compensate and reimburse Kirkland for fees or expenses incurred on or prior to the Petition Date consistent with its ordinary course billing practice. 9. Notwithstanding anything to the contrary in the Application, the Engagement Letter, or the Declarations attached in the Application, the "Client Waiver" of the right to object to fees and expenses once paid found in the Engagement Letter is not effective while the Client is a debtor-in-possession. 13. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

14. The Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

15. Notwithstanding any provision to the contrary in the Engagement Letter, any dispute relating to the services provided by Kirkland shall be referred to arbitration consistent with the terms of the Engagement Letter only to the extent that this Court does not have, retain or exercise jurisdiction over the dispute and 28 U.S.C. § 1334(e)(2) shall govern the forum for resolving fee disputes.

Re: Retention to Provide Legal Services

Dear Ms. Bryan:

We are very pleased that Intelsat S.A. and only those wholly or partially owned subsidiaries listed in an addendum or supplement to this letter (“you”) have asked us to represent you in connection with a potential restructuring. Please note, the Firm’s representation is only of you; the Firm does not and will not represent any direct or indirect shareholder, director, officer, partner, employee, affiliate, or joint venturer of you or of any other entity.

General Terms. This retention letter (the “Agreement”) sets forth the terms of your retention of Kirkland & Ellis LLP (and its affiliated entity Kirkland & Ellis International LLP (collectively, “K&E LLP”)) to provide legal services and constitutes an agreement between us.

The Agreement (notwithstanding any guidelines for outside counsel that you may provide to us) sets forth our entire agreement for rendering professional services for the current matter, as well as for all other existing or future matters (collectively, the “Engagement”), except where we otherwise agree in writing.

Fees. The Firm will bill Client for fees incurred at its regular hourly rates and in quarterly increments of an hour (or in smaller time increments as otherwise required by a court). The Firm reserves the right to adjust the Firm’s billing rates from time to time in the ordinary course of the Firm’s representation of Client.

Although the Firm will attempt to estimate fees to assist you in your planning if requested, such estimates are subject to change and are not binding unless otherwise expressly and unequivocally stated in a writing signed by K&E LLP.

Expenses. Expenses related to providing services shall be included in our statements as disbursements advanced by us on your behalf. Such expenses include photocopying, printing,

witness fees, travel expenses, filing and recording fees, certain long distance telephone calls, postage, express mail and messenger charges, deposition costs, computerized legal research charges and other computer services, and miscellaneous other charges. Our clients pay directly (and are solely responsible for) certain larger costs, such as consultant or expert witness fees and expenses, and outside suppliers or contractors' charges which, to the extent reasonably practicable, have been approved in writing by you in advance. Attached hereto as Schedule I is K&E LLP's current schedule of charges, which is subject to change.

Billing Statements. Our statements for fees and expenses are typically rendered monthly, but the Firm reserves the right to alter the timing of delivering its statements depending on circumstances. Client may have the statement in any reasonable format it chooses, but the Firm will select an initial format for the statement unless Client otherwise requests in writing. Depending on the circumstances, however, estimated or summary statements may be provided, with time and expense details to follow thereafter.

Retainer. Client agrees to provide to the Firm an "advance payment retainer," as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct, *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007), and *In re Caesars Entm't Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein), in the amount of \$500,000. In addition, Client agrees to provide one or more additional advance payment retainers upon request by the Firm so that the amount of any advance payment retainers remains at or above the Firm's estimated fees and expenses. The Firm may apply the advance payment retainers to any outstanding fees as services are rendered and to expenses as they are incurred. Client understands and acknowledges that any advance payment retainers are earned by the Firm upon receipt, any advance payment retainers become the property of the Firm upon receipt, Client no longer has a property interest in any advance payment retainers upon the Firm's receipt, any advance payment retainers will be placed in the Firm's general account and will not be held in a client trust account, and Client will not earn any interest on any advance payment retainers; provided, however, that solely to the extent required under applicable law, at the conclusion of the Engagement, if the amount of any advance payment retainers held by the Firm is in excess of the amount of the Firm's outstanding and estimated fees, expenses, and costs, the Firm will pay to Client the amount by which any advance payment retainers exceed such fees, expenses, and costs. Client further understands and acknowledges that the use of advance payment retainers is an integral condition of the Engagement, and is necessary to ensure that: Client continues to have access to the Firm's services; the Firm is compensated for its representation of Client; the Firm is not a pre-petition creditor in the event of a Restructuring Case; and that in light of the foregoing, the provision of the advance payment retainers is in Client's best interests. The fact that Client has provided the Firm with an advance payment retainer does not affect Client's right to terminate the client-lawyer relationship.

KIRKLAND & ELLIS LLP

Intelsat S.A.

Page 3

Please be advised that there is another type of retainer known as a “security retainer,” as defined in *Dowling v. Chicago Options Assoc.*, 875 N.E.2d at 1018, and *In re Caesars Entm’t Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein). A security retainer remains the property of the client until the lawyer applies it to charges for services that are actually rendered and expenses that are incurred. Any unearned funds are then returned to the client. In other circumstances not present here, the Firm would consider a security retainer and Client’s funds would be held in the Firm’s segregated client trust account until applied to pay fees and expenses. Funds in a security retainer, however, can be subject to claims of Client’s creditors and, if taken by creditors, may leave Client unable to pay for ongoing legal services, which may result in the Firm being unable to continue the Engagement. Moreover, a security retainer creates clawback risks for the Firm in the event of an insolvency proceeding. The choice of the type of retainer to be used is Client’s choice alone, but for the Engagement and for the reasons set forth above, the Firm is unwilling to represent Client in the Engagement without using the advance payment retainer.

Termination. Our retention may be terminated by either of us at any time by written notice by or to you. The Engagement will end at the earliest of (a) Client’s termination of the Engagement, (b) the Firm’s withdrawal, and (c) the substantial completion of the Firm’s substantive work. If permission for withdrawal is required by a court, we shall apply promptly for such permission, and termination shall coincide with the court order for withdrawal.

If this Agreement or our services are terminated for any reason, such termination shall be effective only to terminate our services prospectively and all the other terms of this Agreement shall survive any such termination.

Upon cessation of our active involvement in a particular matter (even if we continue active involvement in other matters on your behalf), we will have no further duty to inform you of future developments or changes in law as may be relevant to such matter. Further, unless you and we mutually agree in writing to the contrary, we will have no obligation to monitor renewal or notice dates or similar deadlines which may arise from the matters for which we had been retained.

Cell Phone and E-Mail Communication. The Firm hereby informs Client and Client hereby acknowledges that the Firm’s attorneys sometimes communicate with their clients and their clients’ professionals and agents by cell telephone, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client does not wish the Firm to discuss privileged matters on cell telephones with Client or Client’s professionals or agents.

The Firm hereby informs Client and Client hereby acknowledges that the Firm's attorneys sometimes communicate with their clients and their clients' professionals and agents by unencrypted e-mail, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client wishes to institute a system to encode all e-mail between the Firm and Client or Client's professionals or agents.

File Retention. All records and files will be retained and disposed of in compliance with our policy in effect from time to time. Subject to future changes, it is our current policy generally not to retain records relating to a matter for more than five years. Upon your prior written request, we will return client records to you prior to their destruction. We recommend that you maintain your own files for reference or submit a written request for your client files promptly upon conclusion of a matter. Notwithstanding anything to the contrary herein, Client acknowledges and agrees that any applicable privilege of Client (including any attorney-client and work product privilege or any duty of confidentiality) (collectively, the "Privileges") belongs to Client alone and not to any successor entity (including without limitation the Client after a change in control or other similar restructuring or non-restructuring transaction (including without limitation a reorganized Client after the effective date of a plan of reorganization), whether through merger, asset or equity sale, business combination, or otherwise, irrespective of whether such transaction occurs in a Restructuring Case or on an out-of-court basis (in each case, a "Transaction")). Client hereby waives any right, title, and interest of such successor entity to all information, data, documents, or communications in any format covered by the Privileges that is in the possession of the Firm ("Firm Materials"), to the extent that such successor entity had any right, title, and interest to such Firm Materials. For the avoidance of doubt, Client agrees and acknowledges that after a Transaction, such successor entity shall have no right to claim or waive the Privileges or request the return of any such Firm Materials; instead, such Firm Materials shall remain in the Firm's sole possession and control for its exclusive use, and the Firm will (a) not waive any Privileges or disclose the Firm Materials, (b) take all reasonable steps to ensure that the Privileges survive and remain in full force and effect, and (c) assert the Privileges to prevent disclosure of any Firm Materials.

Data Protection. You further agree that, if you provide us with personal data, you have complied with applicable data protection legislation and that we may process such personal data in accordance with our Data Transfer and Privacy Policy at www.kirkland.com. We process your personal data in order to (i) carry out work for you; (ii) share the data with third parties such as expert witnesses and other professional advisers if our work requires; (iii) comply with applicable laws and regulations and (iv) provide you with information relating to our Firm and its services.

Conflicts of Interest. K&E LLP is a general service law firm that you recognize has represented, now represents and will continue to represent numerous clients (including, without limitation, you or your affiliates' debtors, creditors and direct competitors), nationally and internationally, over a wide range of industries and in a wide variety of matters. Given this, without a binding conflicts waiver, conflicts of interest might arise that could deprive you or other clients of the right to select K&E LLP as their counsel. As you know, the Firm represented certain holders and ad hoc groups of holders (collectively, the "Interested Parties") of notes (the "Notes") issued by the Client and its affiliates in certain completed and contemplated exchange and related transactions with the Client and its affiliates. The Firm notes that these representations of the Interested Parties have been terminated. Because Client is engaged in activities (and may in the future engage in additional activities) in which Client's interests may diverge from those of the Interested Parties or the Firm's other clients, the possibility exists that either the Interested Parties or one of the Firm's clients may take positions adverse to Client.

In undertaking our representation of you, we want to be fair not only to your interests but also to those of our other clients. Because you are engaged in activities (and may in the future engage in additional activities) in which your interests may diverge from those of our other clients, the possibility exists that one of our clients may take positions adverse to you in a matter in which such other client may have retained us or one of your adversaries may retain us in a matter adverse to another entity or person.

Accordingly, as an integral part of the Engagement, you agree that K&E LLP may, now or in the future, represent such other clients in any existing or future matters, including matters that are directly adverse to you, provided such matters are not substantially related to the legal services that K&E LLP is rendering or will render to you in the Engagement (an "Allowed Adverse Representation"). By way of example, such Allowed Adverse Representations might take the form of, among other contexts: transactional work (including consensual and non-consensual merger, acquisition, and takeover situations, financings, and commercial agreements); counseling (including advising direct adversaries and competitors); and restructuring (including bankruptcy, insolvency, financial distress, recapitalization, equity and debt workouts, and other transactions or adversarial adjudicative proceedings related to any of the foregoing and similar matters); but shall expressly exclude litigation (including arbitration, mediation and other forms of dispute resolution).

You also agree that you will not, for yourself or any other entity or person, assert that either (i) K&E LLP's representation of you or any of your affiliates in any past, present or future matter or (ii) K&E LLP's actual or possible possession of confidential information belonging to you or any of your affiliates is a basis to disqualify K&E LLP from representing another entity or person in any Allowed Adverse Representation. You further agree that any Allowed Adverse Representation does not breach any duty that this firm owes to you or any of your affiliates. You

KIRKLAND & ELLIS LLP

Intelsat S.A.
May 13, 2020
Page 6

also agree that our representation is solely of you and that no parent, subsidiary, affiliate, or other entity or person related to you have the status of a client for conflict of interest purposes.

In addition, if a waiver of a conflict of interest necessary to allow K&E LLP to represent another client in a matter that is not substantially related to your matters is not effective for any reason, you agree that K&E LLP may withdraw from the Engagement. Should that occur, you will not, for yourself or any other entity or person, seek to preclude such termination of services or assert that either (a) K&E LLP's representation of you or any of your affiliates in any past, present or future matter or (b) K&E LLP's actual or possible possession of confidential information belonging to you or any of your affiliates is a basis to disqualify K&E LLP from representing such other client or acting on such adverse matter.

It is important that you review this letter carefully and consider all of the advantages and disadvantages of waiving certain conflicts of interests that would otherwise bar K&E LLP from representing parties with interests adverse to you during the time in which K&E LLP is representing you. You also understand that because this waiver includes future issues and future clients that are unknown and unknowable at this time, it is impossible to provide you with any more details about those prospective clients and matters. Thus, in choosing to execute this waiver, you have recognized the inherent uncertainty about the array of potential matters and clients K&E LLP might take on in matters that are adverse to you, but have nonetheless decided it is in your interest to waive conflicts of interest regarding the Allowed Adverse Representations and waive rights to prohibit K&E LLP's potential withdrawal should a conflict waiver prove ineffectual.

We inform you that certain entities owned by current or former K&E LLP attorneys and senior staff ("attorney investment entities") have investments in funds or companies that may, directly or indirectly, be affiliated with you, hold investments in your debt or equity securities, be adverse to you, or conduct commercial transactions with you (each a "Passive Holding"). The attorney investment entities are passive and have no management or other control rights in such funds or companies. We note that other persons may in the future assert that a Passive Holding creates, in certain circumstances, a conflict between K&E LLP's exercise of its independent professional judgment in rendering advice to you and the financial interest of our attorneys participating in the attorney investment entities, and such other persons might seek to limit your ability to use K&E LLP to advise you on a particular matter. While we cannot control what a person might assert or seek, we believe that K&E LLP's judgment will not be compromised by virtue of any Passive Holding. Please let us know if you have any questions or concerns regarding our Passive Holdings. By executing this letter, you acknowledge our disclosure of the foregoing.

Insurance. You may have insurance policies that will pay for attorneys' fees and costs to litigate matters. In addition, such insurance policies may pay for the other party's (or parties') damages. It is important to apprise your insurance carrier(s) promptly. If you do not request that we notify your insurance carrier(s) on your behalf regarding any such matter, we will assume that you are taking responsibility for any such notification.

Restructuring Cases. If it becomes necessary for Client to commence a restructuring case under chapter 11 of the U.S. Bankruptcy Code (a "Restructuring Case"), the Firm's ongoing employment by Client will be subject to the approval of the court with jurisdiction over the petition. If necessary, the Firm will take steps necessary to prepare the disclosure materials required in connection with the Firm's retention as lead restructuring counsel. In the near term, the Firm will begin conflicts checks on potentially interested parties as provided by Client.

If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties (the "Disclosure Schedule"). The Firm will give Client a draft of the Disclosure Schedule once it is available. Although the Firm believes that these relationships do not constitute actual conflicts of interest, these relationships must be described and disclosed in Client's application to the court to retain the Firm. If in the Firm's determination a conflict of interest arises in Client's Restructuring Case requiring separate conflicts counsel, then Client will be required to use separate conflicts counsel in those matters.

No Guarantee of Success. It is impossible to provide any promise or guarantee about the outcome of your matters. Nothing in this Agreement or any statements by our staff or attorneys constitute a promise or guarantee. Any comments about the outcome of your matter are simply expressions of judgment and are not binding on us.

Pursuant to Part 137 of the Rules of the Chief Administrator, you may have a right to arbitrate any fee dispute.

Consent to Use of Information. In connection with future materials that, for marketing purposes, describe facets of our law practice and recite examples of matters we handle on behalf of clients, you agree that, if the fact of representation has otherwise been made public and confirmed by you, those materials avoid disclosing your confidences and secrets as defined by applicable ethical rules, they may identify you as a client, may contain factual synopses of your matters, and may indicate generally the results achieved.

Reimbursement of Fees and Expenses. You agree promptly to reimburse us for all fees and expenses, including the amount of our attorney and paralegal time at normal billing rates, as incurred by us in connection with participating in, preparing for, or responding to any action, claim, suit or proceeding brought by or against any third-party that relates to the legal services

provided by us under the Agreement. Without limiting the scope of the foregoing, and by way of example only, this paragraph extends to all such fees and expenses incurred by us: in responding to document subpoenas, and preparing for and testifying at depositions and trials; and with respect to the filing, preparation, prosecution or defense of any applications by us for approval of fees and expenses in a judicial, arbitral, or similar proceeding. Further, you understand, acknowledge, and agree that in connection with a Restructuring Case, if you have not objected to the payment of our invoice or to our fee and expense application, have in fact paid such invoice, or have approved such fee and expense application, then you waive your right (and the right of any successor entity as a result of a Transaction or otherwise) to subsequently object to the payment of fees and expenses covered by such invoice or fee application.

Auditor Requests. K&E's responses to auditors' requests for information from legal counsel are prepared according to the American Bar Association's December 1975 Statement of Policy Regarding Lawyers' Responses to Auditors' Requests for Information and the accompanying commentary and Financial Accounting Standard Board (FASB) Accounting Standards Codification Subtopic 450-20, Contingencies-Loss Contingencies.

LLP. Kirkland & Ellis LLP is a limited liability partnership organized under the laws of Illinois, and Kirkland & Ellis International LLP is a limited liability partnership organized under the laws of Delaware. Pursuant to those statutory provisions, an obligation incurred by a limited liability partnership, whether arising in tort, contract or otherwise, is solely the obligation of the limited liability partnership, and partners are not personally liable, directly or indirectly, by way of indemnification, contribution, assessment or otherwise, for such obligation solely by reason of being or so acting as a partner.

Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois, without giving effect to the conflicts of law principles thereof.

Miscellaneous. This Agreement sets forth our entire agreement for rendering professional services. It can be amended or modified only in a writing signed by both parties and not orally or by course of conduct. Each party signing below is jointly and severally responsible for all obligations due us and represents that each has full authority to execute this Agreement so that it is binding. This Agreement may be signed in one or more counterparts and binds each party countersigning below, whether or not any other proposed signatory ever executes it. If any provision of this Agreement or the application thereof is held invalid or unenforceable, the invalidity or unenforceability shall not affect other provisions or applications of this Agreement which can be given effect without such provisions or application, and to this end the provisions of this Agreement are declared to be severable. Any agreement or waiver contained herein by Client extends to any assignee or successor in interest to Client, including without limitation the

reorganized Client upon and after the effective date of a plan of reorganization in a Restructuring Case.

This Agreement is the product of arm's-length negotiations between sophisticated parties, and Client acknowledges that it is experienced with respect to the retention of legal counsel. Therefore, the Parties acknowledge and agree that any otherwise applicable rule of contract construction or interpretation which provides that ambiguities shall be construed against the drafter (and all similar rules of contract construction or interpretation) shall not apply to this Agreement. The Parties further acknowledge that the Firm is not advising Client with respect to this Agreement because the Firm would have a conflict of interest in doing so, and that Client has consulted (or had the opportunity to consult) with legal counsel of its own choosing. Client further acknowledges that Client has entered into this Agreement and agreed to all of its terms and conditions voluntarily and fully-informed, based on adequate information and Client's own independent judgment. The Parties further acknowledge that they intend for this Agreement to be effective and fully enforceable upon its execution and to be relied upon by the Parties.

Please confirm your agreement with the arrangements described in this letter by signing the enclosed copy of this letter in the space provided below and returning it to us. Please understand that, if we do not receive a signed copy of this letter within twenty-one days, we will withdraw from representing you in this Engagement.

Very truly yours,

CLIENT-REIMBURSABLE EXPENSES AND OTHER CHARGES

Effective 01/01/2019

The following outlines Kirkland & Ellis LLP's ("K&E LLP") policies and standard charges for various services performed by K&E LLP and/or by other third parties on behalf of the client which are often ancillary to our legal services. Services provided by in-house K&E LLP personnel are for the convenience of our clients. Given that these services are often ancillary to our legal services, in certain instances it may be appropriate and/or more cost efficient for these services to be outsourced to a third-party vendor. If services are provided beyond those outlined below, pricing will be based on K&E LLP's approximate cost and/or comparable market pricing.

- **Duplicating, Reprographics and Printing:** The following list details K&E LLP's charges for duplicating, reprographics and printing services:
 - Black and White Copy or Print (all sizes of paper):
 - \$0.10 per impression for all U.S. offices
 - €0.10 per impression in Munich
 - £0.10 per impression in London
 - HK\$1.50 per impression in Hong Kong
 - RMB1.00 per impression in Beijing and Shanghai
 - Color Copy or Print (all sizes of paper):
 - \$0.25 per impression
 - Other Services:
 - CD/DVD Duplicating or Mastering - \$7/\$10 per CD/DVD
 - Binding - \$0.70 per binding
 - Large or specialized binders - \$13/\$27
 - Tabs - \$0.13 per item
 - OCR/File Conversion - \$0.03 per page
 - Large Format Printing - \$1.00 per sq. ft.
- **Travel Expenses:** We charge clients our out-of-pocket costs for travel expenses including associated travel agency fees. We charge coach fares (business class for international flights) unless the client has approved business-class, first-class or an upgrade. K&E LLP personnel are instructed to incur only reasonable airfare, hotel and meal expenses. K&E LLP negotiates, uses, and passes along volume discount hotel and air rates whenever practicable. However, certain retrospective rebates may not be passed along.
- **Catering Charges:** Clients will be charged for any in-house catering service provided in connection with client matters where you are present.
- **Communication Expenses:** We do not charge clients for telephone calls or faxes made from K&E LLP's offices with the exception of third-party conference calls and videoconferences.

Charges incurred for conference calls, videoconferences, cellular telephones, and calls made from other third-party locations will be charged to the client at the actual cost incurred. Further, other telecommunication expenses incurred at third-party locations (e.g., phone lines at trial sites, Internet access, etc.) will be charged to the client at the actual cost incurred.

- **Overnight Delivery/Postage:** We charge clients for the actual cost of overnight and special delivery (e.g., Express Mail, FedEx, and DHL), and U.S. postage for materials mailed on the client's behalf. K&E LLP negotiates, uses, and passes along volume discount rates whenever practicable.
- **Messengers:** We charge clients for the actual cost of a third party vendor messenger.
- **Library Research Services:** Library Research staff provides research and document retrieval services at the request of attorneys, and clients are charged per hour for these services. Any expenses incurred in connection with the request, such as outside retrieval service or online research charges, are passed on to the client at cost, including any applicable discounts.
- **Online Research Charges:** K&E LLP charges for costs incurred in using third- party online research services in connection with a client matter. K&E LLP negotiates and uses discounts or special rates for online research services whenever possible and practicable and passes through the full benefit of any savings to the client based on actual usage.
- **Inter-Library Loan Services:** Our standard client charge for inter-library loan services when a K&E LLP library employee borrows a book from an outside source is \$25 per title. There is no client charge for borrowing books from K&E LLP libraries in other cities or from outside collections when the title is part of the K&E LLP collection but unavailable.
- **Off-Site Legal Files Storage:** Clients are not charged for off-site storage of files unless the storage charge is approved in advance.
- **Electronic Data Storage:** K&E LLP will not charge clients for costs to store electronic data and files on K&E LLP's systems if the data stored does not exceed 100 gigabytes (GB). If the data stored for a specific client exceeds 100GB, K&E LLP will charge clients \$1.00 per month/per GB for all network data stored until the data is either returned to the client or properly disposed of. For e-discovery data on the Relativity platform, K&E LLP will also charge clients \$2.00 per month/per GB until the data is either returned to the client or properly disposed of.
- **Calendar Court Services:** Our standard charge is \$25 for a court filing and other court services or transactions.
- **Supplies:** There is no client charge for standard office supplies. Clients are charged for special items (e.g., a minute book, exhibit tabs/indexes/dividers, binding, etc.) and then at K&E LLP's actual cost.

- **Contract Attorneys and Contract Non-Attorney Billers:** If there is a need to utilize a contract attorney or contract non-attorney on a client engagement, clients will be charged a standard hourly rate for these billers unless other specific billing arrangements are agreed between K&E LLP and client.
- **Expert Witnesses, Experts of Other Types, and Other Third Party Consultants:** If there is a need to utilize an expert witness, expert of other type, or other third party consultant such as accountants, investment bankers, academicians, other attorneys, etc. on a client engagement, clients will be requested to retain or pay these individuals directly unless specific billing arrangements are agreed between K&E LLP and client.
- **Third Party Expenditures:** Third party expenditures (e.g., corporate document and lien searches, lease of office space at Trial location, IT equipment rental, SEC and regulatory filings, etc.) incurred on behalf of a client which, to the extent reasonably practicable, have been approved in writing by you in advance, will be passed through to the client at actual cost. If the invoice exceeds \$50,000, it is K&E LLP's policy that wherever possible such charges will be directly billed to the client. In those circumstances where this is not possible, K&E LLP will seek reimbursement from our client prior to paying the vendor.

Unless otherwise noted, charges billed in foreign currencies are determined annually based on current U.S. charges at an appropriate exchange rate.

Re: Retention to Provide Legal Services

Dear Ms. Bryan:

We are very pleased that Intelsat S.A. and only those wholly or partially owned subsidiaries listed in an addendum or supplement to this letter (“you”) have asked us to represent you in connection with a potential restructuring. Please note, the Firm’s representation is only of you; the Firm does not and will not represent any direct or indirect shareholder, director, officer, partner, employee, affiliate, or joint venturer of you or of any other entity.

General Terms. This retention letter (the “Agreement”) sets forth the terms of your retention of Kirkland & Ellis LLP (and its affiliated entity Kirkland & Ellis International LLP (collectively, “K&E LLP”)) to provide legal services and constitutes an agreement between us.

The Agreement (notwithstanding any guidelines for outside counsel that you may provide to us) sets forth our entire agreement for rendering professional services for the current matter, as well as for all other existing or future matters (collectively, the “Engagement”), except where we otherwise agree in writing.

Fees. The Firm will bill Client for fees incurred at its regular hourly rates and in quarterly increments of an hour (or in smaller time increments as otherwise required by a court). The Firm reserves the right to adjust the Firm’s billing rates from time to time in the ordinary course of the Firm’s representation of Client.

Although the Firm will attempt to estimate fees to assist you in your planning if requested, such estimates are subject to change and are not binding unless otherwise expressly and unequivocally stated in a writing signed by K&E LLP.

Expenses. Expenses related to providing services shall be included in our statements as disbursements advanced by us on your behalf. Such expenses include photocopying, printing,

witness fees, travel expenses, filing and recording fees, certain long distance telephone calls, postage, express mail and messenger charges, deposition costs, computerized legal research charges and other computer services, and miscellaneous other charges. Our clients pay directly (and are solely responsible for) certain larger costs, such as consultant or expert witness fees and expenses, and outside suppliers or contractors' charges which, to the extent reasonably practicable, have been approved in writing by you in advance. Attached hereto as Schedule I is K&E LLP's current schedule of charges, which is subject to change.

Billing Statements. Our statements for fees and expenses are typically rendered monthly, but the Firm reserves the right to alter the timing of delivering its statements depending on circumstances. Client may have the statement in any reasonable format it chooses, but the Firm will select an initial format for the statement unless Client otherwise requests in writing. Depending on the circumstances, however, estimated or summary statements may be provided, with time and expense details to follow thereafter.

Retainer. Client agrees to provide to the Firm an "advance payment retainer," as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct, *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007), and *In re Caesars Entm't Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein), in the amount of \$500,000. In addition, Client agrees to provide one or more additional advance payment retainers upon request by the Firm so that the amount of any advance payment retainers remains at or above the Firm's estimated fees and expenses. The Firm may apply the advance payment retainers to any outstanding fees as services are rendered and to expenses as they are incurred. Client understands and acknowledges that any advance payment retainers are earned by the Firm upon receipt, any advance payment retainers become the property of the Firm upon receipt, Client no longer has a property interest in any advance payment retainers upon the Firm's receipt, any advance payment retainers will be placed in the Firm's general account and will not be held in a client trust account, and Client will not earn any interest on any advance payment retainers; provided, however, that solely to the extent required under applicable law, at the conclusion of the Engagement, if the amount of any advance payment retainers held by the Firm is in excess of the amount of the Firm's outstanding and estimated fees, expenses, and costs, the Firm will pay to Client the amount by which any advance payment retainers exceed such fees, expenses, and costs. Client further understands and acknowledges that the use of advance payment retainers is an integral condition of the Engagement, and is necessary to ensure that: Client continues to have access to the Firm's services; the Firm is compensated for its representation of Client; the Firm is not a pre-petition creditor in the event of a Restructuring Case; and that in light of the foregoing, the provision of the advance payment retainers is in Client's best interests. The fact that Client has provided the Firm with an advance payment retainer does not affect Client's right to terminate the client-lawyer relationship.

KIRKLAND & ELLIS LLP

Intelsat S.A.
May 13, 2020
Page 3

Please be advised that there is another type of retainer known as a “security retainer,” as defined in *Dowling v. Chicago Options Assoc.*, 875 N.E.2d at 1018, and *In re Caesars Entm’t Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein). A security retainer remains the property of the client until the lawyer applies it to charges for services that are actually rendered and expenses that are incurred. Any unearned funds are then returned to the client. In other circumstances not present here, the Firm would consider a security retainer and Client’s funds would be held in the Firm’s segregated client trust account until applied to pay fees and expenses. Funds in a security retainer, however, can be subject to claims of Client’s creditors and, if taken by creditors, may leave Client unable to pay for ongoing legal services, which may result in the Firm being unable to continue the Engagement. Moreover, a security retainer creates clawback risks for the Firm in the event of an insolvency proceeding. The choice of the type of retainer to be used is Client’s choice alone, but for the Engagement and for the reasons set forth above, the Firm is unwilling to represent Client in the Engagement without using the advance payment retainer.

Termination. Our retention may be terminated by either of us at any time by written notice by or to you. The Engagement will end at the earliest of (a) Client’s termination of the Engagement, (b) the Firm’s withdrawal, and (c) the substantial completion of the Firm’s substantive work. If permission for withdrawal is required by a court, we shall apply promptly for such permission, and termination shall coincide with the court order for withdrawal.

If this Agreement or our services are terminated for any reason, such termination shall be effective only to terminate our services prospectively and all the other terms of this Agreement shall survive any such termination.

Upon cessation of our active involvement in a particular matter (even if we continue active involvement in other matters on your behalf), we will have no further duty to inform you of future developments or changes in law as may be relevant to such matter. Further, unless you and we mutually agree in writing to the contrary, we will have no obligation to monitor renewal or notice dates or similar deadlines which may arise from the matters for which we had been retained.

Cell Phone and E-Mail Communication. The Firm hereby informs Client and Client hereby acknowledges that the Firm’s attorneys sometimes communicate with their clients and their clients’ professionals and agents by cell telephone, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client does not wish the Firm to discuss privileged matters on cell telephones with Client or Client’s professionals or agents.

The Firm hereby informs Client and Client hereby acknowledges that the Firm's attorneys sometimes communicate with their clients and their clients' professionals and agents by unencrypted e-mail, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client wishes to institute a system to encode all e-mail between the Firm and Client or Client's professionals or agents.

File Retention. All records and files will be retained and disposed of in compliance with our policy in effect from time to time. Subject to future changes, it is our current policy generally not to retain records relating to a matter for more than five years. Upon your prior written request, we will return client records to you prior to their destruction. We recommend that you maintain your own files for reference or submit a written request for your client files promptly upon conclusion of a matter. Notwithstanding anything to the contrary herein, Client acknowledges and agrees that any applicable privilege of Client (including any attorney-client and work product privilege or any duty of confidentiality) (collectively, the "Privileges") belongs to Client alone and not to any successor entity (including without limitation the Client after a change in control or other similar restructuring or non-restructuring transaction (including without limitation a reorganized Client after the effective date of a plan of reorganization), whether through merger, asset or equity sale, business combination, or otherwise, irrespective of whether such transaction occurs in a Restructuring Case or on an out-of-court basis (in each case, a "Transaction")). Client hereby waives any right, title, and interest of such successor entity to all information, data, documents, or communications in any format covered by the Privileges that is in the possession of the Firm ("Firm Materials"), to the extent that such successor entity had any right, title, and interest to such Firm Materials. For the avoidance of doubt, Client agrees and acknowledges that after a Transaction, such successor entity shall have no right to claim or waive the Privileges or request the return of any such Firm Materials; instead, such Firm Materials shall remain in the Firm's sole possession and control for its exclusive use, and the Firm will (a) not waive any Privileges or disclose the Firm Materials, (b) take all reasonable steps to ensure that the Privileges survive and remain in full force and effect, and (c) assert the Privileges to prevent disclosure of any Firm Materials.

Data Protection. You further agree that, if you provide us with personal data, you have complied with applicable data protection legislation and that we may process such personal data in accordance with our Data Transfer and Privacy Policy at www.kirkland.com. We process your personal data in order to (i) carry out work for you; (ii) share the data with third parties such as expert witnesses and other professional advisers if our work requires; (iii) comply with applicable laws and regulations and (iv) provide you with information relating to our Firm and its services.

Conflicts of Interest. K&E LLP is a general service law firm that you recognize has represented, now represents and will continue to represent numerous clients (including, without limitation, you or your affiliates' debtors, creditors and direct competitors), nationally and internationally, over a wide range of industries and in a wide variety of matters. Given this, without a binding conflicts waiver, conflicts of interest might arise that could deprive you or other clients of the right to select K&E LLP as their counsel. As you know, the Firm represented certain holders and ad hoc groups of holders (collectively, the "Interested Parties") of notes (the "Notes") issued by the Client and its affiliates in certain completed and contemplated exchange and related transactions with the Client and its affiliates. The Firm notes that these representations of the Interested Parties have been terminated. Because Client is engaged in activities (and may in the future engage in additional activities) in which Client's interests may diverge from those of the Interested Parties or the Firm's other clients, the possibility exists that either the Interested Parties or one of the Firm's clients may take positions adverse to Client.

In undertaking our representation of you, we want to be fair not only to your interests but also to those of our other clients. Because you are engaged in activities (and may in the future engage in additional activities) in which your interests may diverge from those of our other clients, the possibility exists that one of our clients may take positions adverse to you in a matter in which such other client may have retained us or one of your adversaries may retain us in a matter adverse to another entity or person.

Accordingly, as an integral part of the Engagement, you agree that K&E LLP may, now or in the future, represent such other clients in any existing or future matters, including matters that are directly adverse to you, provided such matters are not substantially related to the legal services that K&E LLP is rendering or will render to you in the Engagement (an "Allowed Adverse Representation"). By way of example, such Allowed Adverse Representations might take the form of, among other contexts: transactional work (including consensual and non-consensual merger, acquisition, and takeover situations, financings, and commercial agreements); counseling (including advising direct adversaries and competitors); and restructuring (including bankruptcy, insolvency, financial distress, recapitalization, equity and debt workouts, and other transactions or adversarial adjudicative proceedings related to any of the foregoing and similar matters); but shall expressly exclude litigation (including arbitration, mediation and other forms of dispute resolution).

You also agree that you will not, for yourself or any other entity or person, assert that either (i) K&E LLP's representation of you or any of your affiliates in any past, present or future matter or (ii) K&E LLP's actual or possible possession of confidential information belonging to you or any of your affiliates is a basis to disqualify K&E LLP from representing another entity or person in any Allowed Adverse Representation. You further agree that any Allowed Adverse Representation does not breach any duty that this firm owes to you or any of your affiliates. You

KIRKLAND & ELLIS LLP

Intelsat S.A.
May 13, 2020
Page 6

also agree that our representation is solely of you and that no parent, subsidiary, affiliate, or other entity or person related to you have the status of a client for conflict of interest purposes.

In addition, if a waiver of a conflict of interest necessary to allow K&E LLP to represent another client in a matter that is not substantially related to your matters is not effective for any reason, you agree that K&E LLP may withdraw from the Engagement. Should that occur, you will not, for yourself or any other entity or person, seek to preclude such termination of services or assert that either (a) K&E LLP's representation of you or any of your affiliates in any past, present or future matter or (b) K&E LLP's actual or possible possession of confidential information belonging to you or any of your affiliates is a basis to disqualify K&E LLP from representing such other client or acting on such adverse matter.

It is important that you review this letter carefully and consider all of the advantages and disadvantages of waiving certain conflicts of interests that would otherwise bar K&E LLP from representing parties with interests adverse to you during the time in which K&E LLP is representing you. You also understand that because this waiver includes future issues and future clients that are unknown and unknowable at this time, it is impossible to provide you with any more details about those prospective clients and matters. Thus, in choosing to execute this waiver, you have recognized the inherent uncertainty about the array of potential matters and clients K&E LLP might take on in matters that are adverse to you, but have nonetheless decided it is in your interest to waive conflicts of interest regarding the Allowed Adverse Representations and waive rights to prohibit K&E LLP's potential withdrawal should a conflict waiver prove ineffectual.

We inform you that certain entities owned by current or former K&E LLP attorneys and senior staff ("attorney investment entities") have investments in funds or companies that may, directly or indirectly, be affiliated with you, hold investments in your debt or equity securities, be adverse to you, or conduct commercial transactions with you (each a "Passive Holding"). The attorney investment entities are passive and have no management or other control rights in such funds or companies. We note that other persons may in the future assert that a Passive Holding creates, in certain circumstances, a conflict between K&E LLP's exercise of its independent professional judgment in rendering advice to you and the financial interest of our attorneys participating in the attorney investment entities, and such other persons might seek to limit your ability to use K&E LLP to advise you on a particular matter. While we cannot control what a person might assert or seek, we believe that K&E LLP's judgment will not be compromised by virtue of any Passive Holding. Please let us know if you have any questions or concerns regarding our Passive Holdings. By executing this letter, you acknowledge our disclosure of the foregoing.

Insurance. You may have insurance policies that will pay for attorneys' fees and costs to litigate matters. In addition, such insurance policies may pay for the other party's (or parties') damages. It is important to apprise your insurance carrier(s) promptly. If you do not request that we notify your insurance carrier(s) on your behalf regarding any such matter, we will assume that you are taking responsibility for any such notification.

Restructuring Cases. If it becomes necessary for Client to commence a restructuring case under chapter 11 of the U.S. Bankruptcy Code (a "Restructuring Case"), the Firm's ongoing employment by Client will be subject to the approval of the court with jurisdiction over the petition. If necessary, the Firm will take steps necessary to prepare the disclosure materials required in connection with the Firm's retention as lead restructuring counsel. In the near term, the Firm will begin conflicts checks on potentially interested parties as provided by Client.

If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties (the "Disclosure Schedule"). The Firm will give Client a draft of the Disclosure Schedule once it is available. Although the Firm believes that these relationships do not constitute actual conflicts of interest, these relationships must be described and disclosed in Client's application to the court to retain the Firm. If in the Firm's determination a conflict of interest arises in Client's Restructuring Case requiring separate conflicts counsel, then Client will be required to use separate conflicts counsel in those matters.

No Guarantee of Success. It is impossible to provide any promise or guarantee about the outcome of your matters. Nothing in this Agreement or any statements by our staff or attorneys constitute a promise or guarantee. Any comments about the outcome of your matter are simply expressions of judgment and are not binding on us.

Pursuant to Part 137 of the Rules of the Chief Administrator, you may have a right to arbitrate any fee dispute.

Consent to Use of Information. In connection with future materials that, for marketing purposes, describe facets of our law practice and recite examples of matters we handle on behalf of clients, you agree that, if the fact of representation has otherwise been made public and confirmed by you, those materials avoid disclosing your confidences and secrets as defined by applicable ethical rules, they may identify you as a client, may contain factual synopses of your matters, and may indicate generally the results achieved.

Reimbursement of Fees and Expenses. You agree promptly to reimburse us for all fees and expenses, including the amount of our attorney and paralegal time at normal billing rates, as incurred by us in connection with participating in, preparing for, or responding to any action, claim, suit or proceeding brought by or against any third-party that relates to the legal services

provided by us under the Agreement. Without limiting the scope of the foregoing, and by way of example only, this paragraph extends to all such fees and expenses incurred by us: in responding to document subpoenas, and preparing for and testifying at depositions and trials; and with respect to the filing, preparation, prosecution or defense of any applications by us for approval of fees and expenses in a judicial, arbitral, or similar proceeding. Further, you understand, acknowledge, and agree that in connection with a Restructuring Case, if you have not objected to the payment of our invoice or to our fee and expense application, have in fact paid such invoice, or have approved such fee and expense application, then you waive your right (and the right of any successor entity as a result of a Transaction or otherwise) to subsequently object to the payment of fees and expenses covered by such invoice or fee application.

Auditor Requests. K&E's responses to auditors' requests for information from legal counsel are prepared according to the American Bar Association's December 1975 Statement of Policy Regarding Lawyers' Responses to Auditors' Requests for Information and the accompanying commentary and Financial Accounting Standard Board (FASB) Accounting Standards Codification Subtopic 450-20, Contingencies-Loss Contingencies.

LLP. Kirkland & Ellis LLP is a limited liability partnership organized under the laws of Illinois, and Kirkland & Ellis International LLP is a limited liability partnership organized under the laws of Delaware. Pursuant to those statutory provisions, an obligation incurred by a limited liability partnership, whether arising in tort, contract or otherwise, is solely the obligation of the limited liability partnership, and partners are not personally liable, directly or indirectly, by way of indemnification, contribution, assessment or otherwise, for such obligation solely by reason of being or so acting as a partner.

Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois, without giving effect to the conflicts of law principles thereof.

Miscellaneous. This Agreement sets forth our entire agreement for rendering professional services. It can be amended or modified only in a writing signed by both parties and not orally or by course of conduct. Each party signing below is jointly and severally responsible for all obligations due us and represents that each has full authority to execute this Agreement so that it is binding. This Agreement may be signed in one or more counterparts and binds each party countersigning below, whether or not any other proposed signatory ever executes it. If any provision of this Agreement or the application thereof is held invalid or unenforceable, the invalidity or unenforceability shall not affect other provisions or applications of this Agreement which can be given effect without such provisions or application, and to this end the provisions of this Agreement are declared to be severable. Any agreement or waiver contained herein by Client extends to any assignee or successor in interest to Client, including without limitation the

reorganized Client upon and after the effective date of a plan of reorganization in a Restructuring Case.

This Agreement is the product of arm's-length negotiations between sophisticated parties, and Client acknowledges that it is experienced with respect to the retention of legal counsel. Therefore, the Parties acknowledge and agree that any otherwise applicable rule of contract construction or interpretation which provides that ambiguities shall be construed against the drafter (and all similar rules of contract construction or interpretation) shall not apply to this Agreement. The Parties further acknowledge that the Firm is not advising Client with respect to this Agreement because the Firm would have a conflict of interest in doing so, and that Client has consulted (or had the opportunity to consult) with legal counsel of its own choosing. Client further acknowledges that Client has entered into this Agreement and agreed to all of its terms and conditions voluntarily and fully-informed, based on adequate information and Client's own independent judgment. The Parties further acknowledge that they intend for this Agreement to be effective and fully enforceable upon its execution and to be relied upon by the Parties.

Please confirm your agreement with the arrangements described in this letter by signing the enclosed copy of this letter in the space provided below and returning it to us. Please understand that, if we do not receive a signed copy of this letter within twenty-one days, we will withdraw from representing you in this Engagement.

Very truly yours,

CLIENT-REIMBURSABLE EXPENSES AND OTHER CHARGES

Effective 01/01/2019

The following outlines Kirkland & Ellis LLP's ("K&E LLP") policies and standard charges for various services performed by K&E LLP and/or by other third parties on behalf of the client which are often ancillary to our legal services. Services provided by in-house K&E LLP personnel are for the convenience of our clients. Given that these services are often ancillary to our legal services, in certain instances it may be appropriate and/or more cost efficient for these services to be outsourced to a third-party vendor. If services are provided beyond those outlined below, pricing will be based on K&E LLP's approximate cost and/or comparable market pricing.

- **Duplicating, Reprographics and Printing:** The following list details K&E LLP's charges for duplicating, reprographics and printing services:
 - Black and White Copy or Print (all sizes of paper):
 - \$0.10 per impression for all U.S. offices
 - €0.10 per impression in Munich
 - £0.10 per impression in London
 - HK\$1.50 per impression in Hong Kong
 - RMB1.00 per impression in Beijing and Shanghai
 - Color Copy or Print (all sizes of paper):
 - \$0.25 per impression
 - Other Services:
 - CD/DVD Duplicating or Mastering - \$7/\$10 per CD/DVD
 - Binding - \$0.70 per binding
 - Large or specialized binders - \$13/\$27
 - Tabs - \$0.13 per item
 - OCR/File Conversion - \$0.03 per page
 - Large Format Printing - \$1.00 per sq. ft.
- **Travel Expenses:** We charge clients our out-of-pocket costs for travel expenses including associated travel agency fees. We charge coach fares (business class for international flights) unless the client has approved business-class, first-class or an upgrade. K&E LLP personnel are instructed to incur only reasonable airfare, hotel and meal expenses. K&E LLP negotiates, uses, and passes along volume discount hotel and air rates whenever practicable. However, certain retrospective rebates may not be passed along.
- **Catering Charges:** Clients will be charged for any in-house catering service provided in connection with client matters where you are present.
- **Communication Expenses:** We do not charge clients for telephone calls or faxes made from K&E LLP's offices with the exception of third-party conference calls and videoconferences.

Charges incurred for conference calls, videoconferences, cellular telephones, and calls made from other third-party locations will be charged to the client at the actual cost incurred. Further, other telecommunication expenses incurred at third-party locations (e.g., phone lines at trial sites, Internet access, etc.) will be charged to the client at the actual cost incurred.

- **Overnight Delivery/Postage:** We charge clients for the actual cost of overnight and special delivery (e.g., Express Mail, FedEx, and DHL), and U.S. postage for materials mailed on the client's behalf. K&E LLP negotiates, uses, and passes along volume discount rates whenever practicable.
- **Messengers:** We charge clients for the actual cost of a third party vendor messenger.
- **Library Research Services:** Library Research staff provides research and document retrieval services at the request of attorneys, and clients are charged per hour for these services. Any expenses incurred in connection with the request, such as outside retrieval service or online research charges, are passed on to the client at cost, including any applicable discounts.
- **Online Research Charges:** K&E LLP charges for costs incurred in using third- party online research services in connection with a client matter. K&E LLP negotiates and uses discounts or special rates for online research services whenever possible and practicable and passes through the full benefit of any savings to the client based on actual usage.
- **Inter-Library Loan Services:** Our standard client charge for inter-library loan services when a K&E LLP library employee borrows a book from an outside source is \$25 per title. There is no client charge for borrowing books from K&E LLP libraries in other cities or from outside collections when the title is part of the K&E LLP collection but unavailable.
- **Off-Site Legal Files Storage:** Clients are not charged for off-site storage of files unless the storage charge is approved in advance.
- **Electronic Data Storage:** K&E LLP will not charge clients for costs to store electronic data and files on K&E LLP's systems if the data stored does not exceed 100 gigabytes (GB). If the data stored for a specific client exceeds 100GB, K&E LLP will charge clients \$1.00 per month/per GB for all network data stored until the data is either returned to the client or properly disposed of. For e-discovery data on the Relativity platform, K&E LLP will also charge clients \$2.00 per month/per GB until the data is either returned to the client or properly disposed of.
- **Calendar Court Services:** Our standard charge is \$25 for a court filing and other court services or transactions.
- **Supplies:** There is no client charge for standard office supplies. Clients are charged for special items (e.g., a minute book, exhibit tabs/indexes/dividers, binding, etc.) and then at K&E LLP's actual cost.

- **Contract Attorneys and Contract Non-Attorney Billers:** If there is a need to utilize a contract attorney or contract non-attorney on a client engagement, clients will be charged a standard hourly rate for these billers unless other specific billing arrangements are agreed between K&E LLP and client.
- **Expert Witnesses, Experts of Other Types, and Other Third Party Consultants:** If there is a need to utilize an expert witness, expert of other type, or other third party consultant such as accountants, investment bankers, academicians, other attorneys, etc. on a client engagement, clients will be requested to retain or pay these individuals directly unless specific billing arrangements are agreed between K&E LLP and client.
- **Third Party Expenditures:** Third party expenditures (e.g., corporate document and lien searches, lease of office space at Trial location, IT equipment rental, SEC and regulatory filings, etc.) incurred on behalf of a client which, to the extent reasonably practicable, have been approved in writing by you in advance, will be passed through to the client at actual cost. If the invoice exceeds \$50,000, it is K&E LLP's policy that wherever possible such charges will be directly billed to the client. In those circumstances where this is not possible, K&E LLP will seek reimbursement from our client prior to paying the vendor.

Unless otherwise noted, charges billed in foreign currencies are determined annually based on current U.S. charges at an appropriate exchange rate.

Staffing Plan

Category of Timekeeper	Number of Timekeepers Expected to Perform Work Across All Matters During the Budget Period	Average Hourly Rate¹
Partner	29	\$1,834
Associate	30	\$828
Legal Assistant	10	\$376
Project Assistant	3	\$383
Total	72	\$948

¹ The Average Hourly Rate is a weighted average based on the individual hourly rate of, and projected number of hours worked by, each timekeeper over the course of the chapter 11 cases.

Exhibit E

Voluntary Rate Disclosures

- The blended hourly rate for all K&E domestic timekeepers (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the 12-month period ending on August 31, 2021 (the “Comparable Period”) was, in the aggregate, approximately \$991.12 per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all K&E timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately \$938.35 per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at K&E	Debtor Blended Hourly Rate for This Fee Application	Non-Bankruptcy Blended Hourly Rate
Partners	\$1,338.83	\$1,320.23
Of Counsel	\$1,133.75	\$1,101.17
Associates	\$847.47	\$851.72
Visiting Attorney	-	\$609.90
Law Clerk	-	\$373.27
Paralegal	\$419.64	\$392.68
Junior Paralegal	\$261.90	\$251.16
Support Staff	\$337.66	\$371.54
Total	\$938.35	\$991.12

¹ It is the nature of K&E’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within K&E’s Restructuring Group. Accordingly, “Non-Bankruptcy Matters” consist of matters for which K&E domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters include time billed by K&E domestic timekeepers who work primarily within K&E’s Restructuring Group.

² K&E calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period.

³ K&E calculated the blended rate for timekeepers who billed to the Debtors by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.
